## All you can “Eataly” Success

Project Angel Hugs held its first ever all-you-can eat fundraiser Tuesday, April 17th at Amore Banquet Hall in downtown Plymouth, WI. With just shy of 300 tickets sold, PAH supporters enjoyed an evening dining on salad, spaghetti & meatballs, mac n cheese, and garlic bread. In addition, countless volunteers made a vast assortment of delicious tortes for dessert. This event raised approximately \$3000.00 and greatly contributes to the costs associated with sending HUGS to the children enrolled in Project Angel Hugs. Thank you to Amore for donating the hall, each individual who volunteered, and every person who supported this new effort. All you can “Eataly” was a tremendous success!

### ...Go Green and Save PAH the Cost of Postage

Did you know that our biggest cost each year is the postage we spend to send boxes, cards, newsletters, and all of the other mailings we send. We cannot stop sending boxes and cards, but we could start emailing the newsletters to the almost 700 households that are now on our mailing list. If you are one of the many who like the convenience of opening an email and reading it from your computer we would love to get you on board! Please drop me an email with your name and address here at Project Angel Hugs. Put **~Email Newsletter~** in the subject line and we will get you switched over to paperless newsletters. Our email here at the office is:
